Your care, your way

## Your care, your way

- You know how you want be cared for in an emergency, or if your condition gets worse.
- Make sure the people caring for you know your wishes too.
- Coordinate My Care can create a personalised care plan with your doctor or nurse.
- And we'll share your plan with the professionals caring for you, when and where you need it.

Find out more and start creating your care plan today [www.mycmc.online](http://www.mycmc.online)  
or find us on Twitter or Facebook:
