

# Your care, your way

- You know how you want be cared for in an emergency, or if your condition gets worse.
- So make sure the people caring for you know your wishes too.
- With Coordinate My Care, you can create a personalised care plan with your doctor or nurse.
- And we'll share with the professionals caring for you, when and where they need it.

Find out more and start  
creating your care plan today
